OINK!, P.O. Box 35, Hyde, Cheshire, SK14 5NB, England.

Pig Pal Pauline Roberts, a final year student at Glasgow School of Art, is doing a comparison between 'OINK!' and the 'B**NO' for her dissertation! Good luck, Pauline! I'm sure you'll discover that when it comes to laughs OINK! has no comparison!

Uncle Pigg regrets that this offer is not available to readers in Eire and overseas.

little frank's "make your own fantastic cut-out record collection" number one "the beastie puppets"

go! pup 1

the beastie Puppets

"we're gonna write some invitations to the christmas party"

hello "oink" readers
little frank has been moaning non-stop since his "beastie puppets" single failed to come out at christmas, so to make him happy i have dug out the original artwork and told him he can have it released on his very own cardboard records label.
so all you have to do is cut-out a 124 mm circle of black card....cut out the labels and stick one on each side and put the finished cardboard record into your cut-out sleeve...and you will make my ventriloquist puppet very very happy.

best regards

frank sidebottom

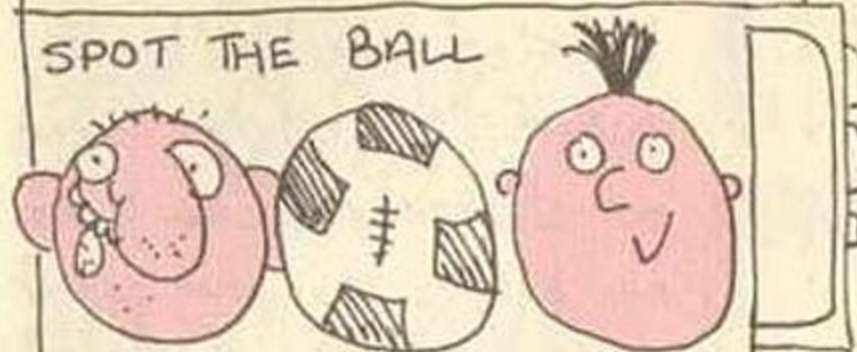

may help to stick the sleeve onto card first... then cut-out round the black lines, then fold on the dotted lines.

frank sidebottom's part 2 "fantastic show-biz moments" number 2

remember last week i was on my way to london and i lost my watch....well...i did make the train o.k....but when i got on it i found out i had forgotten to buy one of them there tickets....now read on....

1. the guard-man thingy made me go and collect the tickets to pay my fare.

2. a london taxi ride can be very very boring....so it is advised to take a good stack of your fave comics along.

3. when i met up with my chums at the houses of parliament...we all started an ace lobby.

4. the lobby was so 'ace' that mrs currie came out to see us...

5. and then i was able to do a fantastic interview for "radio timperley!"

6. train back. no ticket, so i had to work in the buffet...then a taxi to my house.

continued next week...
